Why BioThane®

BioThane® is a wonderful product that has been manufactured for over 40 years. The product has the look and feel of leather with a number of advantages:

- It is stronger than leather and won't crumble or tear with age
- Comes in many colours that won't fade or grow dull with use
- While soft and pliable like leather it will not absorb odors or develop mold/mildew
- Easily cleaned with soap and water
- When wet it is easily dried with a towel
